

SDGC Charitable Contributions Chair

The SDGC conducts an annual drive to provide Christmas gifts to the families who are selected by Christian Neighbors. Christian Neighbors (CN) is an Allegan County non-profit and all-inclusive agency who aids the needy with 98% of the funding going back into the local community.

The chairperson typically has these tasks:

- Review Tax Exempt information
- Announces the annual drive at the October meeting. Along with the announcement a sign-up sheet is circulated for volunteers to shop for the gifts.
- Also in October, an email is sent to all SDGC members asking for their support by sending a donation check to the chair.
- At the end of October, you meet with CN to determine what items are needed to be purchased.
- The chair also keeps a list of each donation and the amount.
