

SDGC Ways and Means Chairperson

One of the primary objectives of SDGC is to provide a college scholarship to both a Fennville and a Saugatuck student. To make the scholarship meaningful, additional fundraising is required. Over the years, the Club has taken on a variety of projects to generate the needed funds. Currently, a pre-plant sale, a summer garden walk, and member plant sale provides the resources.

As the Ways and Means Chair, the role is to develop an appropriate fundraising activity or activities. This includes:

1. Accessing the current project(s) and determine if it should be repeated.
2. Researching a variety of projects including costs, income opportunity and membership involvement.
3. Getting consensus among the membership to do the project(s).
4. Obtain project chairs, if appropriate.
